All clubs requesting the use of the club grounds to hold an event, must submit this form in writing to the club Corresponding Secretary.

For field trials, no later than March 1st for fall trials and no later than October 1st for spring trials. Cancellation of a trial date must be submitted at least two(2) months prior to the trial or ground fees will be forfeited(this also applies to any paid event). Cancellation also means that the club will lose priority for that date in the future if another club requests the date. Scheduling a trial and then canceling it deprives another club the use of the grounds and the setter club of revenue.

Grounds fees are \$125.00 per day plus \$5.00 per dog entered. This fee is subject to change at the discretion of the Board of Directors.

There will be a fee charged if the grounds and cafeteria are not cleaned by the using club before leaving.

Insurance forms must be submitted to the Corresponding Secretary one(1) month before the trial date. If the insurance form is not submitted your club will not be allowed to run and the club will forfeit the grounds fees.

These regulations are needed to protect both the Setter Club and your club.
